Stabling requests should be included with all entries along with any unusual requirements, (i.e., stallion separation, etc.). Preference for paddock stalls will go to long term volunteers/sponsors first and everyone else on a first come first served based on receipt of entry. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention policies. More information about these standards can be found at www.usef.org.

Signs, Barriers and Parking: Signs must be obeyed – ignoring signs will not be tolerated. Parking areas will be marked and directed by signs. Barriers must be respected - moving or removing a barrier is prohibited. Signs and Barriers are not just a courtesy issue – they are for everyone’s **safety**, as well as **courtesy** to others.

Dogs: Dogs are welcome at Osierlea but please use common sense and common courtesy. **Dogs must be on leash at all times. Do NOT leave dogs unsupervised in locked vehicles.** The dog owner is financially liable/responsible for any upsets or injuries caused by their dog to people and/or horses. It is the responsibility of the competitor to inform friends and family of these rules, if they come with a dog to watch the competition.

Management: The Horse Show Management, in accordance with USEF rules, reserves the right to: (1) refuse, accept conditionally or cancel any entries, (2) deny stabling requests, (3) disqualify riders or exhibitors, (4) prohibit exhibition of entries, (5) cancel/award prizes without claim to damage, (6) to change, cancel or combine any classes, (7) reschedule classes in accordance with USEF rules, (8) substitute officials, and (9) change arenas. The judge’s decisions are strictly their own, and the management accepts no responsibility for those decisions.

Every entry must comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold this horse show and its management, officials, employees and volunteers, blameless for any injury or loss to themselves, their horses, employees, and equipment, which may occur from accident, sickness, fire, natural disaster, or otherwise.

Exhibitors are hereby notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, rider, or groom or family member or friend, shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

SHARPS CONTAINERS: GR1210.4: Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management’s responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.

In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps Containers are located inside the covered arena next to tack room.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

This
competition
is recognized
by USDF
for 2025

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and [Minor Athlete Abuse Prevention Policies](#), also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with or authority over minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the [USEF Safe Sport Incident Reporting Form](#) available on the USEF website. Concerns or suspicions regarding sexual misconduct must be reported to <https://safesport.i-sight.com/portal> and the authorities if a minor is involved. All of this information can be found in the USEF [Safe Sport Policy](#).

Please take a moment to review the new USEF [Safe Sport web pages](#) on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at sgilbert@usef.org for any questions or concerns relating to the USEF Safe Sport program.

Thank you for your support and for helping us bring the joy of horse sports to as many people as possible!
